

Refurbished Computer Grades

When you purchase a refurbished computer from Eco-Tech, you can be certain that you're getting a great computer for a great price. To make sure you know exactly what it is that you're buying our team individually grade each computer based on cosmetic appearance.

Grade A - Slight Cosmetic Damage

- This may include very slight wear on keys, very slight marks or scratches on upper plastics or the chassis.

Grade B - Cosmetic Damage

- May include scratches to the chassis or upper plastics, loose hinges and minor structural damage which have been repaired.

Grade C - Noticeable Cosmetic Damage

- May include missing flaps or bezels.
- Any Missing parts will be stated on the product description.
